CLASSIC TOUCH CAKES

Congratulations on your forthcoming wedding. Like every other decision associated with your wedding, the choice of cake can be daunting.

We at Classic touch cakes can guarantee that when you choose us to create your wedding cake, we will offer you years of experience and a personal service that will guarantee delivery of a unique creation to your wedding reception.

There are no limitations to the possibilities of what your wedding cake could look like. From the traditional ties to the novelty one off themes; the formal and understated to the wild and outrageous. Its your big day its your choice.

Classic Touch celebration cakes was established in 1987 by Bob Young. Classic Touch cakes has grown from an enjoyable hobby into a thriving business situated in Caledonia Road in the town of Wishaw.

Originally situated in Airdrie, Classic Touch's reputation and business grew so much that within 18 months a new, bigger studio was found in East Kilbride. Such was the demand for Bob's wonderful creations that it wasn't long before he had to move again and found a new, permanent home in Wishaw. There his studio houses one of the largest permanent displays of wedding cakes in Scotland

A large percentage of Bob's cakes are made for customers in the central belt, but he has found himself and his cakes as far afield as Aberdeen and Inverness. Customers have also collected their cakes to take further afield, where they have helped celebrated weddings and birthdays in Canada, Texas, London and Spain.

This leaflet only shows a small selection of the current style of cakes that we can create. We have the experience and talent to create anything that our customer requires, so please visit our website or call to have a chat about what you require to make your special day even more special. Our creations only limitation is the imagination on our customers.

The cakes shown here are only a small selection of what we can achieve. As with all of our creations we have a discussion with the prospective bride and groom to find out what exactly their needs are for the great occasion. Our aim is to add to the event and make it even more special with our very own personal classic touch.
